I'm writing because I want to make sure you know that we want a clean river.

The EPA should come out with a plan that's good for the river and the fish. But you should also make sure that the plan is flexible and isn't so expensive that it drives out the companies that supply the blue-collar jobs our city needs.

I know you care about our community and our economy. Thank you for reading and for doing what's best for our region and our jobs.

Sincerely,
